

Fun Miles and select Valero stations are partners in a new campaign

Dave Martinus of the Fun Miles Club announced a new partnership with Edgar Croes and Lorenzo Arends, owners of the Valero stations in Santa Cruz, Ponton, Essoville and on L.G. Smith Boulevard. The four stations will participate in a six-month campaign beginning immediately that will award fun miles and free gasoline to loyal clients.

The first step in qualifying for a chance to win the grand prize of three months of free gasoline is to join the Fun Miles Program at their offices on the Caya Milo Croes in Dakota for an inscription cost of five Arubian florins.

Whenever purchasing gas, Fun Miles members should patronize one of the four stations listed above, and fill their tank from the self-service pump, presenting the Fun Miles card when paying. Customers will also receive a sticker to place on their bumper that will make them eligible to win 250 Fun Miles on the spot, when the "Fun Miles Team," which will be on duty at any of the four stations spies a car with a sticker getting gas.

Using the Fun Miles card makes customers eligible for a weekly drawing of 250 Fun Miles and one of three gift certificates for free gasoline at participating stations worth 100 Arubian florins. By the end of the campaign, Dave Martinus announced they will award a grand total of 40,000 Fun Miles.

At the end of the six months, there will be a final drawing for a grand prize of three months of free gasoline, not to exceed more than 500 florins worth of gasoline per month.

Fun Miles earns points and can be redeemed at twenty-four vendors on Aruba, for a variety of products and services. For more information on the Fun Miles program and their various campaigns, visit their website www.funmiles.net or call customer service at 587-3300.
